Please complete this form **in pencil** (placing a tick against **3** subjects in the HL column; and a tick against **3** subjects in the SL column). Please note: your choices **do not have to be final**; the programme for six subjects you have selected here will be discussed with the interview panel.

**Please remember:** you **must** choose Greek, English and Mathematics at either HL or SL. You must also choose **3** more subjects; **one** from each of Groups **3**, **4**, and **6**; or you can ignore Group **6** and choose **2** subjects from one of either Group **3**, Group **4**, or if you wish to take Computer Science, from Group **5**. Also, you may opt for English A1 rather than English A2, though all students opting for English A1 must participate in a screening process to ensure it is an appropriate choice for them.

GROUP	SUBJECT	High Level	Standard Level
1. Language A1	Greek A1		
	English A1		
2. Language A2	English A2		
3. Individuals & Societies	History		
	Economics*		
	Psychology		
	Social Anthropology		
	Business & Management		
	World Cultures		
4. Experimental Sciences*	Biology		
	Chemistry		
	Physics		
	Environmental Syst. & Societies		
5. Mathematics <small>(All IB students <b>must</b> choose a Math course. Computer Sc. is an additional <b>elective</b> subject)</small>	Math*		
	Math Studies SL		
	Computer Science* (Elective)		
6. Arts	Visual Arts		
	Theatre Arts		

\* If you intend to take a HL Science, or HL Economics, or HL Computer Science, then you must take either Math HL, or Math SL (**not** Math Studies SL).

Please state here any subject(s) offered by IBO, though not listed above, that you might wish to take if possible (e.g. French or Classical Greek in Group 2; Geography or Philosophy in Group 3; Music in Group 6):
