

A Christmas Carol

Mrs. Avayanou
4 EFL

The amazing 4d EFL class revived the classic play, *A Christmas Carol*, by Charles Dickens. In Victorian London, old Ebenezer Scrooge is so stingy and mean to his fellow people, that four ghosts decide to pay him a visit on Christmas Eve; his long-gone business partner, Marley, and the ghosts of Christmas Past, Christmas Present and Christmas Future. The spirits show him visions of his miserable life. Scrooge is so taken aback by his cruelty, that he decides to change for good and become a better man.

Above is a picture of the young actors in their costumes, right after their brilliant performance!
