Pirates and Fairies

After having read the book in class the students did some interactive smartboard activities which consolidated their understanding of the story.

At the end, they were presented with guidelines and word-banks and were asked to write about their favourite fairies and pirates. The children created beautiful posters, which were pinned up on a bulletin board.

Tinkerbell

Hello! My name is Tinker Bell and I'm a fairy. I live in Neverland with other fairies and my best friend, Peter Pan.

I can fly and I can cast spells. My magic weapons are my fairy dust and my magic wand. My biggest enemy is Captain Hook. He is a horrible pirate and he wants to capture me! But I always run away! He he he!

Captain Hook

Hi mates! My name is Captain Hook and I'm a scary pirate. I live in Neverland in my big ship, the *Jolly Roger*. My friend, Smee, and I search for hidden treasures with our map. We love diamonds, gold and rubies.

My powerful weapons are my sword and my hook! My greatest enemy is Peter Pan. I hate him and his friends, the Lost boys. One day I'll catch them and feed them to the crocodile!
