

"The Six Billy Goats Gruff"

Mrs. Kitsopoulou
3 ENL

Grade 3 ENL performed the play "The Six Billy Goats Gruff" on 8th March, 2007. It was about six billy goats, who decided to go up the mountain to munch the wonderful things that were growing there. However, the ugly, mean, hungry Troll would not let them cross the bridge without paying a toll.

Did all the billy goats manage to cross the bridge?

Yes, they did.

Then, what happened?

Finally, they all went up the mountain for months and months of merry munching.

The Ugly, Mean Troll

*"I don't charge a dime,
I don't charge a nickel,
I'll just eat you up,
like a crunchy pickle."*

"Let's trick the Troll"

"There's food for everyone"

"Now we are having fun"
