# “Mini - Dialogues”

Mrs. Galanis

6 ENL

---

After reading the story “Kevin’s Grandma” in *Running Free*, the students from Mrs. Galanis’s 6<sup>th</sup> grade were given the task of enacting dialogues based on the story. The requirements for a good oral presentation were discussed beforehand. These were articulation, rate, eye contact and body posture. The students worked in pairs on the skits. Each pair was responsible for direction, stage setting and costumes.

Thereafter the skits were presented to Mrs. Gaga’s 6<sup>th</sup> grade class who were requested to assess them using a speech critique form. In turn, the class presenting the skits were requested to assess the audience with regards to listening skills, interest and behaviour.
