Oral Presentation

Ms. E. Gaga
Mrs. A. Galanis

Two third grade EFL classes met the challenge of giving an oral presentation about themselves. The students were given guidelines on how to use the grammatical structures already learnt and how to organize the speech. They were also given guidelines on oral presentation skills. The students were also asked to make a colourful poster on themselves. These posters were displayed in each classroom. The students then presented their speeches in the small theatre to their peers and were graded on content as well as oral skills.
