Celebrating Saint Patrick's Day: Leprechaun Traps

Ms. E, Gaga
3 EFL, 5 EFL

A Leprechaun is an Irish "elf". Leprechauns are small in size, and some say they look like a tiny, old man in a top hat and red beard. They are tricky fellows and like to play pranks on unsuspecting people.

Each Leprechaun has a pot of gold! Some say they bury it in secret places only Leprechauns can reach; others say they hide it at the end of the rainbow. One thing is for sure though; if you catch a Leprechaun he will lead you to his pot of gold and give it to you as a bribe to let him go.

Means of Transport

Mrs. A. Galanis
1 ENL

First grade ENL work on a collage related to transport . Children are aware of the different means of transport and their different uses and they work closely in order to place their pictures in the section air-land-sea.

Pandas

Mrs. L. Calder
4 ESL

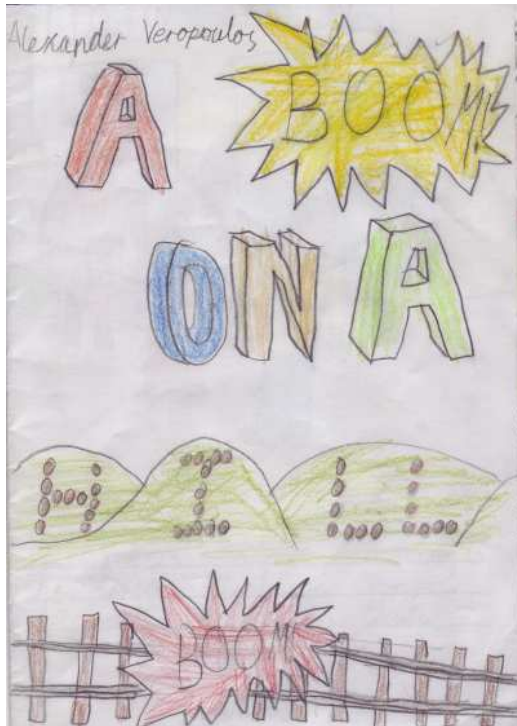

After learning about endangered animals in their coursebook, Mrs. Calder's 4 EFL class decided to do a project on the panda. This motivated the children to suggest having a craft sale in order to raise money which would be donated to W.W.F. Their efforts were rewarded as they raised 267 € during their three-day craft sale. This money will be used to adopt a Panda for a year.
