

# Animal Project

4 ENL  
Mrs. Kitsopoulou

Why did I choose the dolphin?  
I chose this animal because I like dolphins and I didn't know so many things about them. I've never seen a dolphin but I want to. I learned many things when I was searching about dolphins and I hope you also learned many things about them.

A poem about dolphins

Dolphins are big,  
they eat squid.  
They lay calls  
and are mammals.  
Dolphins are tall  
and I love them all!

Fourth grade ENL went to the library to find information about an animal and did a project.
