First of all thank you very much for submitting your application form. **It is our pleasure to inform you that your organization was registered as a European Talent Point and thus became part of the European Talent Support Network.** We are very much looking forward to working with you together in the European Talent Support Network.

The **European Talent Support Network** was officially established in September 2015 in Brussels. To gain more insights into its history and members so far we recommend to you to look at the articles on the ECHA website: <http://www.echa.info> and the ETSN website: <http://etsn.eu/>

Your institution will shortly appear on the **Map of the European Talent Support Network:** <http://etsn.eu/map-of-etsn/>

We kindly ask you to check the data and let us know if you find any mistakes.

Attached to our letter you can find the logo of the Network, which from now on you may use in your homepage, letterhead etc. Please join to the Facebook Group of the European Talent Support Network (<https://www.facebook.com/groups/1542973912663212//>) in order to share more info on your activities promoting cooperation, preparation of joint grant applications, exchanges of best practices and – later – talented people, experts, researchers, mentors and teachers in the Network.

Wishing you successful cooperation with the other European Talent Centres and Points,

Best regards,
